"Fighting Hunger-Preventing Homelessness-Caring for the Elderly-Stabilizing Lives" captures the essence of what we do here at FCHUM. Day-to-day, person-to-person, for almost three decades, FCHUM has been here to serve. I am inspired by this history and am excited thinking about the legacy that awaits us as we continue our mission of uniting the community (churches, civic, and corporate) in serving our community.

We hope that **YOU** will discover an opportunity, within these pages, to join us in this and other endeavors. Do not hesitate to contact us to arrange a tour and in-depth discussion of possibilities.

INVESTING TO SERVE: LEGACY OF CARING

2017 BRICK BY BRICK SUSTAINABILITYCAMPAIGN

Investing to Serve: Legacy of Caring

With the development of a **\$250,000** restricted fund we will be able to secure and sustain the operations of our facility in perpetuity. At that level, monthly dividends would pay the monthly costs of operating the facility, paying the utilities, and all those items involved in operating the physical plant. (Dividends are already paying some bills.) That way, in the future, we will just need to raise funds for operating our programs serving our neighbors.

We have raised over \$200,000!

Won't you join us in this great act of stewardship? Gifts of all sizes help; the **Legacy Brick** is just one option. Each brick is available for a \$100 donation to the **FCHUM "Investing to Serve: Legacy of Caring Sustainability Campaign"** (A major effort to build a sound financial foundation to sustain the work of ministry in the facility with which we have been blessed.)

Create your own legacy by remembering FCHUM in your will.

FERN CREEK/HIGHVIEW UNITED MINISTRIES

How it happens -

A family facing homelessness due to an unforeseen medical emergency: utilizing funds from the Association of Community Ministries LG&E and Louisville Water Company grants, St. Vincent DePaul Society, and funds from our supporting churches, past bills are caught up as well as rent. Food is supplied thanks to Dare to Care, our local grocery stores, and, again, our supporting churches. Crisis averted!

Summertime and children are home from school, but since they are not receiving the breakfast and lunch assistance at school, not to mention weekend backpacks filled with food, there is need for more food at home but not extra income to make the grocery trip. Thanks to Dare To Care and our summer Cans for Kids food drive FCHUM helps fill the void.

A daughter calls, she needs to work but (due to dementia) her mother can no longer stay at home by herself. Visits are arranged, a health assessment is completed, and now the daughter drops off Mom at the FCHUM Adult Day Health Center on her way to work. Mom enjoys a wonderful day of activities, meals, socialization, and nursing care in the security of the ADC, while the daughter can continue working stress free.

It's back to school time, but resources are tight and school supplies cost more than ever. Thanks to LG&E backpacks and supporters of FCHUM, children receive backpacks overflowing with all the supplies they need.

An ADC participant is taken to the emergency room on a Wednesday night, receives some medication and is sent home. His wife brings him back to the ADC on Friday. Our activity staff and Nurse notice he is not functioning as he should. The nurse, upon checking the medication is concerned about its possible adverse reaction with other medications. Upon calling the doctor and explaining the situation, the doctor arranges to see the participant later in the day. The next week staff are informed their intervention saved his life.

Mom has been laid off. Dad is working two jobs, but Christmas for the children is looking bleak. Thanks to generous support by churches, civic groups, local businesses, and a family who turned a personal tragedy into a blessing for collecting hundreds of toys, this family, and many others, experience a joyous Christmas without the children being aware of the financial difficulties facing the parents.

Our Mission –

*“Uniting our community
(Churches-Civic-Corporate)
in serving our community.”*

Our Vision-

“To create a supportive community that enriches the lives of those we serve”.

Historically rooted, foundationally solid, and planning for the future.
